Hi Josh,

Confirming that both MO Policy and MO Comms have reviewed & approved the approach and the proposed content, and are fully supportive of moving forward.

Thanks!

Subject: Hours of Service exemptions blockades at international crossings - Issue Note and Social Content

Hi Amanda:

Please find attached a note on the proposed process for issuing, as necessary, HOS exemptions to those carriers impacted by the protest and the suggestion to post social media content to inform those impacted on how to proceed.

Program area worked with communications.

Can you please let us know if there any concerns with this suggested approach.
